POST-GAME plan for buses from the Stadium to Campus Drive Deck

All buses leaving the stadium for the Campus Drive Deck will board on the **west side** of the stadium on Wallace Wade Drive. Buses will be a combination of small school buses and Crimson Ride buses. Post game, fans who want to go to the Campus Drive Deck via a bus should go to the west side of the stadium, across Wallace Wade, and board the buses **in that location only**. These buses will begin running at the end of the third quarter and will continue to run one hour post game.
